

Illinois businesses can't afford a new tax. Take action now!

Illinois lawmakers have proposed a penny-per-ounce tax on beverages such as sodas, juice drinks, teas, and sports drinks. The tax will even be applied to drink powders and restaurant fountain drinks.

The beverage tax will add up.

"Bag-in-Box"

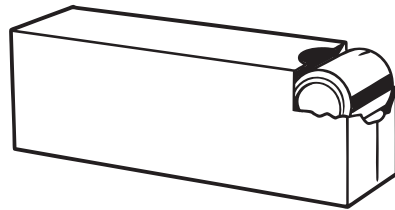

Restaurant Fountain Drinks

(640 ounces)

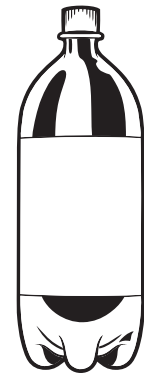

3,840 ounces
of soda

X **1¢** per ounce beverage
and grocery tax

+ \$38.40

12 pack
(12 ounce cans)
+ \$1.44

2-liter bottle
+ \$0.68
