

## SUPPORT OUR LOCAL PUBLIC TRANSIT BALLOT MEASURE: VOTE YES ON NOVEMBER 8!

**Public transportation benefits everyone, even if they don't ride it.** It reduces pollution, eases traffic congestion, and helps local communities thrive. It's also among the safest ways to travel, reducing a person's chances of being in an accident by more than 90 percent compared to traveling by car. Cities, suburbs, and rural communities all deserve expanded and improved public transit, and better connections to jobs, education, medical care, shopping, and entertainment.

Voting for local public transportation-related ballot measures will help expand and improve public transit options in our community. Local public transit ballot measures:

Help match federal funds with local dollars so our community can win FAST Act dollars

Support local public transit expansions and improvements

Ensure more people in our area can benefit from public transportation

Learn more and get involved at [www.voicesforpublictransit.org](http://www.voicesforpublictransit.org).

**And be sure to vote YES for public transportation on November 8.**
