

# IT'S TIME FOR TAXES ON AIRFARES TO BEGIN THEIR DESCENT.

In real dollars, the average roundtrip domestic airfare fell 16 percent over the past decade. At the same time, federal taxes rose by nearly 9 percent, totaling about \$60 on a typical \$300 domestic roundtrip ticket. That's heading in the wrong direction for our economy.

Visit [NationalAirlinePolicy.com](http://NationalAirlinePolicy.com)  
to add your support for reducing the federal tax burden on  
airfares and keeping ticket prices affordable.
